## J3 has a Drop Box!

316 Pennsylvania Street, 77587

In an effort to better serve our customers in South Houston, J3 has installed a drop box located at 316 Pennsylvania St. 77587. The new J3 Drop Box is located in a well-lit covered area around the back of the rust colored building that houses Professional Environmental Training, Inc. Look for the J3 logos and the word "SAMPLE DROP" -- you can't miss it!

Samples must be in the Drop Box by 7pm Sunday through Thursday for pick up.

No pick-up on Friday or Saturday.

Please call us at 713-290-0221 to schedule emergency turnaround times. If possible, please scan and email COC's to [reports@j3resources.com](mailto:reports@j3resources.com) by 4:30pm so we can schedule analysis accordingly.

J3 is always looking for better ways to serve valued customers like you!

**Start using it today!**
